

How to make a direct deposit donation

If you prefer not to make a donation by credit card, direct deposit donations can be accepted by ReachOut Australia to the following account:

BSB: 032036
Account number: 233996
Account name: Reachout Australia

Please include the following reference when making the deposit to ensure that we're able to issue you with a receipt for your donation:

Reference: L4L_YourName

How to obtain a receipt for your donation

Once you have made your donation, please email proof of your donation (a receipt issued by your bank) to **swim@reachout.com**.

In your email, please let us know who you are sponsoring (if you can include their Laps for Life profile URL, that would be really helpful).

Once the funds have been received by ReachOut Australia, we can process your donation against the participant's profile and email you a receipt.
